

Year 6

Homework Challenge - Summer Term 1 2026

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, spellings, maths and English homework that are set. SATs Companion is also a vital resource to use at home.

<p>Don't forget that at the beginning of this half term doing work in your CGP books and completing revision on SATsCompanion online will be very valuable work.</p>	<p>Science - The Human Body</p> <p>Create an information poster all about a particular organ in the body.</p> <p>Create an exercise routine to keep your body fit and healthy. Write a diary about how this makes you feel over a week or two.</p>	<p>Geography - The British Isles</p> <p>Research trade in King's Lynn and the Hanseatic League.</p> <p>Create a travel brochure for our local area.</p>
<p>History - Cold War</p> <p>We have been learning about the Space Race. Research an astronaut and write a biography about them.</p>	<p>Art - The Pre-Raphaelites</p> <p>Research one of the key Pre-Raphaelite artists that we are learning about and recreate one of their paintings. (eg. John Everitt Millais, William Holman Hunt, Dante Gabriel Rossetti, etc)</p>	<p>PSHE -Relationships</p> <p>Write a leaflet or poster about the ways people can copy with different emotions.</p>

The challenge work is due in **20th May** and we will spend time looking at and celebrating their work. The above menu details a range of work for the subjects that your child will cover this term.

Children can think about how they would like to present their work.

It would be nice if the children have a go at this homework so they all have something to share at the end of each half term. We thank you for your continued support.
