### Homework Challenge - Autumn Term 2 2025

We would like children to select at least two of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, maths and English homework that are set and we also encourage the children to use SATs Companion and Times Tables Rockstars which have been purchased for them. We also look forward to them continuing to attend to early morning SATs booster club from 8:15 on Tuesdays, Wednesdays and Thursdays.

The challenge work is due in **12<sup>th</sup> December** and we will spend time looking at and celebrating their work. The above menu details a range of work for the subjects that your child will cover this term. Children can think about how they would like to present their work.

It would be nice if the children have a go at this homework so they all have something to share at the end of each half term. We thank you for your continued support.
