

## Computing

Oak will be learning about spreadsheets; how to add data and calculate in the cells.

We will be continuing our learning about online safety and keeping ourselves safe online.

## History

The Rise of Hitler and World War Two

We will go back to the end of World War One and what happened in Germany to give rise to Adolf Hitler and the Nazi part.

Snettisham Primary  
School

## English

After Christmas we will finish our learning about discursive texts and finish reading 'Stay Where You Are and Then Leave.'

Then we will focus on non-chronological reports using the text 'Rose Blanche.'

## P.S.H.E.

Dreams and Goals

Our hopes and aspirations, think about how we work with people. Consider our contribution to the world and the local community.

## Year 6 - What your child will be learning about in Spring 1 2026?

Dear Parents and Carers,

We are excited to have many creative outcomes from our knowledge curriculum this term and for the children to learn lots of new and interesting facts. The children will be learning how to think like a professional in each subject. Please continue to encourage children to read at home and write in their planners which book they have been reading. We will also be continuing to learn our times tables and work on SATs Companion. It will be another great half term for the wonderful Year 6s in Oak class.

Kind Regards, The Year 6 Team

## Geography

South America

Learning about past civilisations, the Andes mountains, Atacama Desert, Brazil and the Amazon rainforest.

## Art & DT

Dyson Engineering

We will study James Dyson, who was born in Cromer, and how he designs his product. We will revise our electricity knowledge before designing our own new fan.

## R.E.

What does Enlightenment mean to a Buddhist?

Understanding Buddha's quest to stop suffering, that Nirvana is the state of perfect peace and the importance of the lotus symbol.

## Science

Plant

We will learn about the function of parts of a plant, capillary action, photosynthesis and how they reproduce.

## Maths

Algebra, decimals, fractions, percentages, area and perimeter.

In addition to regular arithmetic each day.

## P.E.

Basketball

Develop dribbling, passing, receiving and shooting skills.

## Latin

Verbs and Adverbs

Understanding the role of adverbs, investigate Roman baths and Bath curse tablets.
