Art & DT

Sewing

Birch expand their skills in DT, by creating a victorian sampler.

Year 4/5 - What your child will be learning about in Spring 2 2026?

Dear Parents and Carers,

We are excited to have many creative outcomes from our knowledge curriculum this term and for the children to learn lots of new and interesting facts. The children will be learning how to think like a professional in each subject. Please continue to encourage children to read at home and write in their planners which book they have been reading. We will also be continuing to learn our times tables and work on grammar. It will be another great half term for the wonderful Year 4s and 5s in Birch Class.

Kind Regards, The Birch Team

Geography

World Geography

Learning about Australia, its location, the settlement and their biodiversity.
