

Year 6

Homework Challenge - Spring Term 2 2026

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, maths and English homework that are set.

Don't forget that this half term doing work on SATsCompanion online will be very valuable.

<p>History - World War Two</p> <p>Bletchley Park - Find out more about Enigma (think about our trip last year)!</p> <p>Create your own WW2 propaganda poster.</p>	<p>Science - Light and Electricity</p> <p>Create an information poster all about electricity.</p>	<p>Geography - World Geography</p> <p>Research somewhere in the world that you have never been! Write a report about the place you have chosen.</p>
<p>RE - Easter</p> <p>Design an Easter egg or stain glass window to reflect part of the Easter story.</p>	<p>Art - Painting and Impressionism</p> <p>Go outside and find something interesting to paint!</p>	<p>PSHE - Healthy Me</p> <p>Write a leaflet about how to stay fit and healthy as a young person.</p>

The challenge work is due in **25th March** and we will spend time looking at and celebrating their work. The above menu details a range of work for the subjects that your child will cover this term.

Children can think about how they would like to present their work.

It would be nice if the children have a go at this homework so they all have something to share at the end of each half term. We thank you for your continued support.
