## Willow Class

### What your child will be learning about in Spring 2 2026?

Dear Parents and Carers,

We are excited to have many creative outcomes from our knowledge curriculum this term and for the children to learn lots of new and interesting facts. The children will be learning how to think like a professional in each subject. Please continue to encourage children to read at home and write in their planners which book they have been reading. We will be focusing on learning and becoming confident on Set 1, Set 2 and Set 3 sounds in phonics. We will also learn how to use our Fred Fingers accurately!

Kind Regards, The Willow Class team!
