P.S.H.E.

Dreams and Goals

Our hopes and aspirations, think about how we work with people. Consider our contribution to the world and the local community.

Willow Class

What your child will be learning about in Spring 1 2026?

Dear Parents and Carers,

We are excited to have many creative outcomes from our knowledge curriculum this term and for the children to learn lots of new and interesting facts. The children will be learning how to think like a professional in each subject. Please continue to encourage children to read at home and write in their planners which book they have been reading. We will be focusing on handwriting and phonics with all children. We will also continue our journey on how to be independent.

Kind Regards, The Willow Class team!

Geography

Reception:

Where we live in the world.

Year 1:

All about the United Kingdom.

Maths
