

# Home learning activities for you to try.

Share your experiences on Dojo. We'd love to see what you are learning 😊

Visit a beach. What can you hear? What can you see? What can you smell?

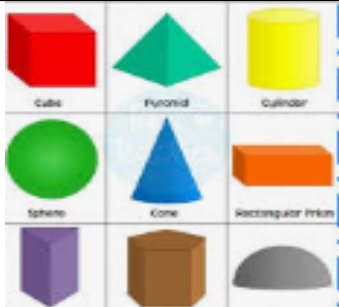

Can you make a beach in a box? What features can you include?

What beach treasure can you find? Why not draw your favourite shell?

Invent a new flavour of ice cream. Why not put 2 or 3 flavours together? Cabbage and mint? 😊

Look around you. Can you see anything shaped like a cube, a sphere or a cone?

We know rubbish is dangerous for wildlife. Design a poster reminding people to put their rubbish in the bin.

Can you build a cairn? How many stones high can you make it?

Lie on your back and look at the clouds. Are they the same? Do they change? Are they moving? Do they look like something else?
