All pupils at our school use computer facilities, including internet access, as an essential part of learning in today's modern British Society. You will have the opportunity to access a wide range of technology resources. This includes access to

- Computers, laptops and other digital devices
- The Internet, which may include search engines and educational sites
- School learning platform/intranet
- Email
- Games consoles and other games-based technologies
- Digital cameras, webcams and video cameras

At Snettisham Primary School we recognise the essential and important contribution that technology plays in promoting your learning and development, both at school and at home. However, we also recognise there are potential risks. The school will take all reasonable precautions to ensure that you are as safe as possible when using school equipment and will work together with you and your family to help you stay safe online. We have developed user agreements for pupils, parents/carers and staff. You can see that we expect all of those persons to sign and return to our school office an agreement pledge. This is not optional and is part of our school procedures.

At Snettisham Primary School we want to ensure that all members of our community are safe and responsible users of technology. We will support you to:

- ☞ Become empowered and responsible digital creators and users
- ☞ Use our resources and technology safely, carefully and responsibly
- ☞ Be kind online and help us to create a community that is respectful and caring, on and offline
- ☞ Be safe and sensible online, and always know that you can talk to a trusted adult if you need help

- I use school computers for school work, unless I have permission otherwise
- I know that personal devices are not permitted in school
- I keep my personal information safe and private online
- I will keep my passwords safe and not share them with anyone
- I will not access or change other people's files or information
- I will only change the settings on the computer if a teacher/technician has allowed me to

Understand

- I understand that the school's internet filter is there to protect me, and I will not try to bypass it.
- I know that my use of school devices/computers and internet access will be monitored
- I have read and talked about these rules with my parents/carers
- I can visit www.thinkuknow.co.uk and www.childline.org.uk to learn more about keeping safe online
- I know that if I do not follow the school rules then I will receive a sanction

Tell

- If I am aware of anyone being unsafe with technology, I will report it to a teacher
- I always talk to an adult if I'm not sure about something or if something happens online that makes me feel worried or frightened

- If I see anything online that I shouldn't or that makes me feel worried or upset then I will minimise the page, shut the lid and tell an adult straight away

We request that children at our school sign and return the agreement form to ensure that we respect the rules around online safety. This is a safeguarding matter, which will benefit everyone.
