

Snettisham Primary School Newsletter

July 2025

email: office@snettishamprimary.co.uk Tel: 01485 541274
website: <https://www.snettishamprimary.co.uk>

Dear Families

We have come to the end of another year and would like to thank you all for your support.

Our highlights include sports day, life skills events, sporting achievements and medals, fabulous public speakers, apprenticeship day, maths challenge and rotary writing awards, our trip to Bletchley Park to name a few!

We want to wish all the best to Emma Hunt as she leaves us for new adventures. We will miss her and wish to thank her for all her hard work throughout her time supporting our schools. Thank you too to Piper Alexander and all the best for her time as a musician in residence at Norwich High School for Girls. We also want to say goodbye to our wonderful Y6 students who are moving onto High School. They have done themselves proud throughout their time at Snettisham and have worked to a very good standard in the SATS - we wish them all the very best as they look forward to Y7.

Finally - we look forward to welcoming our new Head Pupils into Y6 next year. We are pleased to announce that staff and pupils voted unanimously for Evie and Elliot to represent the school. Both pupils thoroughly represent our school values and their kindness and responsibilities shine through! Congratulations to you both.

Have a great summer- see you on 3rd September.

Best wishes
Louise Jackson

Lunch Menu

The menu is available to view on our website
<https://www.snettishamprimary.co.uk>
Vegan, Gluten/Dairy/Egg-free versions
available on request.

Please book on MCAS app every week
(£2.60 daily)

Term Dates:

Please note that our term dates are not the same as those published by Norfolk County Council.
Please see our website for further information.

Children return on Wednesday, 3rd September 2025

Our Learning

OAK CLASS

Oak have worked really hard on their writing this term. We enjoyed studying Shakespeare and then reading the book 'Along on the Wide Wide Sea.' In History we have learnt about the Cold War and then looked at the Civil Rights Movement which we all felt very passionately about. In Design Technology lessons we built wooden birdfeeders! We studied triangulation before we sketched our own bird houses, used tools to create a flat-pack version and then put the birdhouses together. In Science we have studied Charles Darwin, Alfred Wallace and evolution which has been really interesting. We have also enjoyed lots of other experiences, it was great to go to Norwich Theatre – the production of 'The Lion, the Witch and the Wardrobe' was spectacular and it was fabulous to hear the excited buzz that followed! We also enjoyed our trip to the beach, playing crazy golf, games on the sand and of course chips and an ice cream. As well as other special days like apprenticeship day and life skills! We were really proud of our public speaking team! It is sad that we are now at the end of the year. This class of amazing year 6 pupils will really be missed but they are ready for high school and we know they will go on to do brilliant things! Good luck year 6 and keep in touch!

Our Learning (cont'd)

WILLOW CLASS

Where has the time gone!? I cannot believe that we are in our last few weeks of school before summer holidays. We have been super busy once again!

The Year 1's have been loving learning the text 'How to make Fairy Dust' and are in the process of creating their own version of the story. They have also loved the book 'How to find Gold' which was our High Quality Text. We have been learning time, money and recapping our previous knowledge of place value within 50. The Year 1's have been super lucky this half term and have been to 2 sports festivals which they enjoyed thoroughly but also were role models to other schools! They have loved learning about Magnets and Materials in Science. I wish them all the very best for Year 2 learning, they will be superstars!

The Reception children have been learning the text 'The Rainbow Princess' which they have loved retelling and adding their own actions. Over the last few weeks they have been creating their own characters to put into the story using their very own rhyming words. In maths they have been learning they days of the week, 2D shapes and 3D shapes. They have been working extremely hard and on days where the Year 1's have been at sports events they have been pretending to be the Year 1 children! The children have been learning all about 'The Sea' they have loved using clay, playing outside and in the sand.

Our Learning (cont'd)

IRCH CLASS

It has been a great half term for Birch class. We have had regular dance lessons ready for the performance at Springwood at the end of the year. We have enjoyed learning about the local area in History, it was interesting to learn about the history of the village and our school. In Science, we have studied ecology and learnt about food chains, habitats and the human impact on ecology. We thoroughly enjoyed our class trip to Houghton Hall. We studied sculpture and pottery in Art this term and it was great to see the sculptures of Stephen Cox at Houghton Hall after learning all about him. Birch have worked really hard this year and are ready for their next steps!

Our Learning (cont'd)

ASH CLASS

The end of another busy half term is fast approaching! This half term we have learnt about earth and Mars and have used our knowledge to write a non-chronological report. In maths we've been practising our calculations and have almost mastered how to solve 2-step word problems. In History we have looked at powerful voices and learnt how they have impacted on future generations. Our science work has involved learning about plants. We discovered that cress needs to be watered over the weekend in order to survive! But we did have some very fast growing beanstalks which are now hopefully growing nice and tall in their new homes! It's been wonderfully sunny and there have been many sporting activities where Ash Class have demonstrated their brilliant PE skills. It was great to see everyone competing for their team colour on sports day.

Thank you parents and families for all your support with our learning and activities this year. Have a lovely summer break!

Our Learning (cont'd)

Attendance Matters

98-100%	<ul style="list-style-type: none">• Excellent - Children are accessing all learning opportunities
96-97%	<ul style="list-style-type: none">• Good - Very few learning opportunities are missed
94-95%	<ul style="list-style-type: none">• Risk of underachievement• Up to 10 school days absent in an academic year
92-93%	<ul style="list-style-type: none">• High risk of underachievement• Up to 15 school days absent in an academic year
90-92%	<ul style="list-style-type: none">• Severe risk of underachievement• Upwards of 22 school days absent in the academic year
< 90%	<ul style="list-style-type: none">• Extreme risk of underachievement• Upwards of 22 school days absent in the academic year

The importance of good attendance

The Government strives for every pupil to achieve 97% attendance. Every day away from school is a day away from learning and this can have an impact on a child's education and future accomplishments.

We want every child to enjoy school and achieve their potential in education and life beyond. We are always here to talk through any issues and help find solutions. Parents are always a phone call away if a child is too ill to continue their day, please encourage them to try to give the day a go, children often feel much better once they are in class.

The Government has issued new attendance guidance and targets to all schools, you may receive regular texts informing you of the number of days that your child has been absent in a term/year. The Government hope that this personal approach will make parents more aware of how the odd day adds up and help keep you informed.

Vouchers for Free School Meal Eligible Pupils – April 2025 to March 2026

Support has been extended until March 2026 for pupils eligible for means-tested Free School Meals (FSM). Families who are eligible for Free School Meals will receive Edenred vouchers for April to August next month and then more in September. The vouchers can be spent at many major retailers including supermarkets.

Families in hardship and needing wider support In addition to the offer of FSM vouchers for eligible families, there is support available for families who are facing hardship and need support. Anyone experiencing hardship may be able to receive support through the Norfolk Assistance Scheme (NAS), which may be able to provide support for food, fuel, clothes and other essential household items to families experiencing hardship. Families may get in touch with NAS via their website which includes an online application form, or they can call **0344 800 8020**.

<https://www.norfolk.gov.uk/care-support-and-health/support-for-living-independently/money-and-benefits/norfolk-assistance-scheme>

Have your circumstances changed recently? You may be eligible for Free School Meals.

The school receives funding for each child who comes under Pupil Premium (including free school meals), so it is worth applying even if you don't have school meals!! You can apply online

PUNCTUALITY MATTERS!

Being frequently late for school adds up to lost learning:

- Arriving 5 minutes late every day adds up to over 3 days lost each year.
- Arriving 15 minutes late every day is the same as being absent for 2 weeks a year.
- Arriving 30 minutes late every day is the same as being absent for 19 days a year.

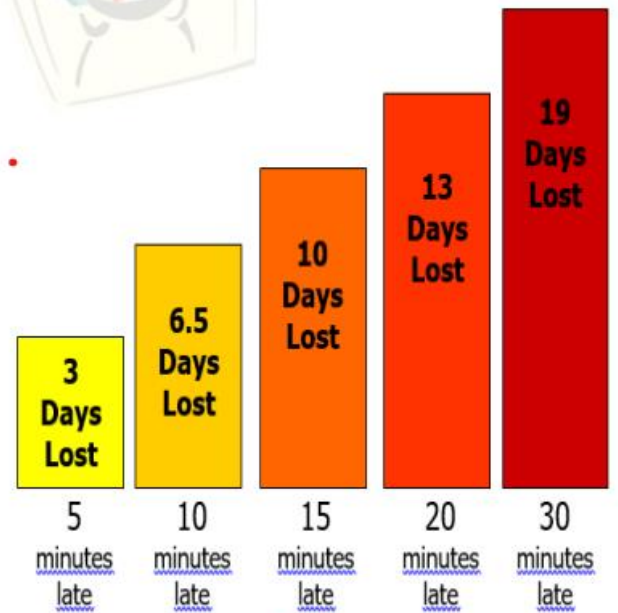

19 days lost a year through being late means 90% attendance.

missed minutes =
missed learning
= missed opportunities!

EVERY SCHOOL DAY COUNTS

Every Minute Counts!

That's two school weeks

Lost Minutes = Lost Learning

You are able to book and pay in advance for the following through the MCAS website or App:-

- Breakfast Club
- School Lunches
- Trips
- Music Tuition
- Swimming
- Parent's Evenings

Please look out for announcements and news on your page.

If you need any help using the MCAS app, please don't hesitate to contact the School Office.
